

The Table reports the information about the collaborative partners of the Doctorate School (International and national agreements and Erasmus project also available for PhD students).

Partners	Nationality	Type of Partner	Type of Collaborations	Information about the collaborations
ERASMUS				
University of Copenhagen (Prof. Rasmus Bro) Referente: Dr. M. Cocchi	Danmark	International University	- development of common research projects - student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
University of Barcellona Referente: Dr. M. Cocchi	Spain	International University	- development of common research projects - student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
University Politecnica de Valencia Referente: Dr. M. Cocchi	Spain	International University	- development of common research projects - student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
University of Castiglia (Prof. Vicent Moliner) Prof. M.C. Menziani	Spain	International University	- development of common research projects - student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
University of Porto (Prof. Maria João Ramos) Referente: Prof. M.C. Menziani	Portugal	International University	- development of common research projects - student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
University of Nizza	France	International University	student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
University of Madrid Referente: Prof. M.C. Menziani	Spain	International University	student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
University of Exeter Referente: Ing. E. Bassoli	UK	International University	student mobility - co-advised thesis	http://www.unimore.it/RapportiInternazionali/erasmus.html
Université de Nice Sophia Antipolis, F-NICE 01 (Prof. M. William Tatinian william.tatinian@polytech.unice.fr) Referente: Prof. C. Siligardi	France	International University	- student mobility (2 students for 9 months)	http://www.unimore.it/RapportiInternazionali/erasmus.html
Anadolu University ESKISEH01 (Prof. Mithat Bilik, mbilik@anadolu.edu.tr) Referente: Prof. C. Siligardi	Turkey	International University	- student mobility (2 students for 10 months)	http://www.unimore.it/RapportiInternazionali/erasmus.html
Universidad Autonoma de Madrid E Madrid04 (Prof. Juan de Lara Jaramillo, jdelara@uam.es) Referente: Prof. C. Siligardi	Spain	International University	- student mobility (2 students for 10months)	http://www.unimore.it/RapportiInternazionali/erasmus.html

INTERNATIONAL AGREEMENTS

Universidade do Estado de Santa Catarina (Prof. Sebastião Iberes Lopes Melo)	Brasil	International University	<ul style="list-style-type: none"> - development of common research projects - PhD student mobility - co-advised PhD thesis 	http://www.ricerca.unimore.it/on-line/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it

University of Nice Sophia Antiolis (Prof. Albert Marouani)	France	International University	<ul style="list-style-type: none"> - development of common research projects - PhD student mobility - co-advised PhD thesis 	http://www.ricerca.unimore.it/on-line/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
Università di Oxford (Prof. W.G. Richards)	UK	International University	<ul style="list-style-type: none"> - development of common research projects - PhD student mobility 	http://www.ricerca.unimore.it/on-line/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
Università di Leiden (Prof. G.W. Canters)	NL	International University	<ul style="list-style-type: none"> - development of common research projects - PhD student mobility 	http://www.ricerca.unimore.it/on-line/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
Università della California S. Barbara (Prof. K. Kedward)	USA	International University	<ul style="list-style-type: none"> - PhD student mobility 	http://www.ricerca.unimore.it/on-line/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
Massachusetts Institute of Technology (MIT), USA, on behalf of MIT's Department of Materials Science and Engineering	USA	International University	<ul style="list-style-type: none"> - development of common research projects - PhD student mobility - co-advised PhD thesis 	http://www.ricerca.unimore.it/on-line/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
The Center for Thermal Spray Research, State University of New York at Stony Brook (Prof. S. Sampath)	USA	International University	<ul style="list-style-type: none"> - development of common research projects - PhD student mobility - co-advised PhD thesis 	http://www.ricerca.unimore.it/on-line/Home/RelazioniInternazionali/Internazionalizzazione.html

				ione.html http://accordi-internazionali.cineca.it
The Institute for Manufacturing Technologies of Ceramic Components and Composites, University of Stuttgart (Prof. R. Gadow)	Germany	International University	- development of common research projects - PhD student mobility - co-advised PhD thesis	http://www.ricerca.unimore.it/online/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
Centro di Innovazione Tecnologica in Ceramica del Centro Ceramico del Brasile (Prof. Josè Octavio Armani Paschoal)	Brasil	International Research Centre	- development of common research projects - PhD student mobility - co-advised PhD thesis	http://www.ricerca.unimore.it/online/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
Institut Rayonnement Matière de Saclay (Prof. Thibault Charpentier)	France	International Research Centre	- development of common research projects - PhD student mobility - co-advised PhD thesis	http://www.ricerca.unimore.it/online/Home/RelazioniInternazionali/Internazionalizzazione.html http://accordi-internazionali.cineca.it
University of Aveiro	Portugal	International University	- agree to participate to the lifelong learning programme Erasmus related to the EMU International School "Layered mineral structures and their applications in advanced technologies"	http://www.multiscale-school.unimore.it/acm/DocumentServlet/prepareUpdate?idDocument=16098
University of Budapest	Hungary	International University	- agree to participate to the lifelong learning programme Erasmus related to the EMU International School "Layered mineral structures and their applications in advanced technologies"	http://www.multiscale-school.unimore.it/acm/DocumentServlet/prepareUpdate?idDocument=16100
University of Kracow	Poland	International University	- agree to participate to the lifelong learning programme Erasmus related to the EMU International School "Layered mineral structures and their applications in advanced technologies"	http://www.multiscale-school.unimore.it/acm/DocumentServlet/prepareUpdate?idDocument=16102
University of Creta	Grece	International University	- agree to participate to the lifelong learning programme Erasmus related to the EMU International School "Layered mineral structures and their applications in advanced technologies"	http://www.multiscale-school.unimore.it/acm/DocumentServlet/prepareUpdate?idDocument=16101
University of Granada	Spain	International University	- agree to participate to the lifelong learning programme Erasmus related to the EMU International School "Layered mineral structures and their applications in advanced technologies"	http://www.multiscale-school.unimore.it/acm/DocumentServlet/prepareUpdate?idDocument=16103
INTERNATIONAL COLLABORATIONS				
Universita' di Madrid (Prof. Vallet Regf)	Spain	International University	- PhD student mobility	Scientific Collaborations
BOKU, University of Natural Resources and Applied Life Sciences (Prof. C. Obinger)	Austria	International University	- development of common research projects - PhD student mobility	Scientific Collaborations
Marie Curie Actions: Research Training Network	Netherlands, UK,	International Research Centre	- PhD student mobility	Marie Curie Actions: Research Training Network

	Israel			
NIH Bethesda (Prof. Peter Bandettini)	USA	Istituzione scientifica straniera (non profit)	- development of common research projects - PhD student mobility	Project "Human Frontiers Science Program Organization 2004-2007"
Universita' di Maastricht, (Prof. Elia Formisano)	Netherlands	International University	- PhD student mobility	Scientific Collaborations
EML Res g GmbH, Heidelberg (Prof. Rebecca Wade)	Germany	International Research Centre	- student mobility - co-advosored thesis	Scientific Collaborations
Barcelona University (Prof. A. De Juan)	Spain	International University	- development of common research projects - PhD student mobility	Scientific Collaborations
Burnham Institute, La Jolla, California	USA	International Research Centre (non profit)	- PhD student mobility	Scientific Collaborations
Centro di Eccellenza Europeo "Estomaterial" University of Tartu (Prof. M. Karelson)	Estonia	International University	- PhD student mobility	Scientific Collaborations
Center for Genomic Regulation	Spain	International University	- PhD student mobility	Scientific Collaborations
University of Amsterdam – Data Analysis for Systems Biology (Prof. Age K. Smilde)	Netherlands	International University	- development of common research projects - PhD student mobility	Scientific Collaborations
University of Nijmegen – BIOPATTERN Network of Excellence (Prof. L. M.C. Buydens)	Belgium	International University	- development of common research projects - PhD student mobility	Scientific Collaborations
Ohio State University (Prof. J.A. Cowan)	USA	International University	- development of common research projects - PhD student mobility	Scientific Collaborations
NATIONAL COLLABORATIONS				
Università di Torino (Prof. P. Ugliengo)	Italy	National University	- PhD student mobility - co-advosored thesis	Scientific Collaborations
University of Bologna	Italy	International University	- agree to partecipate to the lifelong learning programme Erasmus related to the EMU International School "Layered mineral structures and their applications in advanced technologies"	http://www.multiscale-school.unimore.it/acm/DocumentServlet/prepareUpdate?idDocument=16099
Università di Pavia (Prof. P Mustarelli)	Italy	National University	- PhD student mobility - co-advosored thesis	Scientific Collaborations
Università di Verona (Prof. M. Speghini)	Italy	National University	- PhD student mobility - co-advosored thesis	Scientific Collaborations
Università di Napoli (Prof. M. Cossi)	Italy	National University	- PhD student mobility - co-advosored thesis	Scientific Collaborations
Università di Milano Bicocca / Virtual Institute for Chemometrics and Industrial Metrology (VICIM) European network of excellence/ VCC-LAB,	Italy	National University	- PhD student mobility - co-advosored thesis	Scientific Collaborations

Virtual Computational Chemistry Laboratory (Prof. R. Todeschini)				
Politecnico di Milano (Prof. Sergio Cerrutti)	Italy	National University	- PhD student mobility - co-advised thesis	Scientific Collaborations
Università Roma Tre (Prof. A. Mottana)	Italy	National University	- PhD student mobility - co-advised thesis	Scientific Collaborations
Laboratori Nazionali di Frascati (Dr. A. Marcelli)	Italy	National Research Centre	- PhD student mobility - co-advised thesis	Scientific Collaborations
Politecnico di Milano (Prof. Sergio Cerrutti)	Italy	National University	- PhD student mobility - co-advised thesis	Scientific Collaborations
Scuola Normale Superiore di Pisa (Dott. A. Pedone)	Italy	National University	- PhD student mobility - co-advised thesis - development of common research projects	Scientific Collaborations and Agreement Letter
INDUSTRIAL COLLABORATIONS				
Zetadi	Italy	Private company	Financial Support	Full text of the agreement
System	Italy	Private company	PhD student mobility	Full text of the agreement
RottaPharm	Italy	Private company	Financial Support	Collaboration
Helsinn	Switzerland	Private company	Financial Support	Collaboration
